

Teens Encounter Christ!

9th - 12th Grades . .

On January 19-21, the temps were cold, the wind blew, but we were WARM in Jesus love and fellowship! Eight youth from Messiah participated and had this to say:

"I want to go back sometime soon!"

"They took my cell phone!!!"

"It was awesome."

"It was hard not being 'in control' or knowing the schedule, but got used to it."

"I wasn't sure at first but I really liked it."

"I'd do this again."

"We had a blast."

"My mom made me go and I was NOT happy, until I got there and loved it!"
