

11:00 Contemporary Worship (10:00 Summer)

Our 11:00 service (10:00 summer) focuses on authentically worshiping God with excellence and inspiring others to do so.

Summer hours - Worship begins at 10:00 June through August

The Contemporary service, led by the worship band Promise or the Youth worship band SonKiss'd is filled with spirited, uplifting, and thought provoking songs - some you may know from contemporary Christian radio and some which are original to Promise, written by the very creative pen of Bryan VanderHill. The Biblical message is the same as that given in the Traditional Worship.
