

## New Member Class

If you are wondering how to become a member of Messiah Lutheran Church, you have come to the right place. We are excited that you may be considering joining the Messiah family.

For those interested in becoming members of Messiah, we offer special informational classes that will help you understand Messiah's vision and purpose along with presenting needs and opportunities with which you can become involved. There are two classes in connection with this "What Does It Mean To Be A Member Of Messiah" component. These two classes meet on consecutive Sundays during the Sunday School hour at 9:45 AM. The series of two classes is offered at least twice a year - in the fall (September-October) and in the winter (January-February). Anyone interested in becoming a member of Messiah is requested to attend these two classes.

For all those who are interested in joining Messiah AND who are from non-Lutheran background, we offer a series of classes to help you understand the teachings of the Christian faith in general and the Lutheran church in particular. These classes are a part of our Life Design Series that is intended to help all members of Messiah grow in their relationship with Jesus Christ. This series of around 8 classes is offered twice a year - once in the fall (beginning in September) and once in the winter (beginning in January or February). Everyone, whether member or non-member, Lutheran or non-Lutheran, is invited to participate in these classes.

FILL OUT THE INFORMATION BELOW and submit it to our Webmaster and we will be contacting you shortly. Or you may choose to let us know of your interest by filling out the Attendance Forms that are passed down the pew each Sunday. You may also speak directly to the Pastor.
