

Sunday School Classes

Sunday School meets regularly for all ages from September through May.

Messiah's Sunday School classes are designed with everyone in mind and all begin at 9:45am, with additional adult studies at 11:00.

A cheerful nursery staff keeps your babies and toddlers happy and loved. Two year olds attend a class with a parent in which a special lesson, music, snack and craft are offered.

Bible based classes are available for Kindergartners through 6th grade.

Youth classes are Christ-centered and led by lay teachers. Our youth develop a positive bond with each other even though they attend different public and private schools.

Adults are offered Bible classes on varying topics led by Pastor Tim and lay teachers. Coffee is plentiful and discussion lively.

Adult Education/Sundays

We have been blessed with many gifted adult Sunday school teachers.
